

## Deanery Synod Annual Report.

At the time of writing this report there has only been one meeting held in the year. Due to Covid 19 this meeting was held on zoom and covered election of officers and what has been happening across the deanery during the lock down.

The Deanery Leadership Team (DLT) had a zoom meeting with Bishop Alison and Archdeacon Andy regarding the four- prong strategy being set by the diocese – Becoming more Christ-like, reaching people we don't today, making missionary disciples and structures and finances. Since this inaugural session DLT have had follow up sessions exploring options on how to get input and feedback from each of the parishes/ benefices within the deanery.
