

## Learning and Engagement Officer

### Information about the post

The post of Learning and Engagement Officer has arisen as part of a programme of restoration and heritage activities, supported by Beverley Minster and The National Lottery Heritage Fund.

As Learning and Engagement Officer, you will take the lead in role in developing and engaging new and diverse communities in Beverley Minster's story as an historic place of sanctuary. Further details about the Beverley Minster Sanctuary Project can be found on the project pages of the website at <https://beverleyminster.org.uk/sanctuary-project/>.

You will work closely with the Project Manager and the Associate Vicar of Beverley Minster, and will be able to draw upon the support of an experienced team with a broad range of skills. You will organise events to promote the heritage of the Church (particularly its 'Story of Sanctuary'), and take a lead role in implementing the Action Plan of activities and events that have been agreed with The National Lottery Heritage Fund.

The job is part time, and is designed to provide flexibility for both the post holder and the Church. You will be based at Beverley Minster Parish Centre, and there is scope for home working as required. The job will require regular outreach visits, both within Beverley and occasionally beyond. The Church team includes a small number of paid officers, and a wider community of volunteers.
