Eco Church: The National Emergency Briefing (NEB) - get Informed about the Climate and Nature Crisis: The big picture of the climate and nature crisis is that humanity is currently on a deeply dangerous trajectory, with growing risks of severe societal and economic disruption. The interconnected threats to food systems, health, national security and global stability are no longer distant concerns, but increasingly part of our lived reality. Yet public understanding of these challenges remains low, and political systems often struggle to respond at the scale and speed required. <https://www.nebriefing.org/vision>
The NEB is a public information film which shows that the climate and nature crisis presents severe threats to UK. Watch the film at Toll Gavel Church at 7pm on Tuesday 1st September and at Beverley Parkway Cinema Thursday 10th September at 7pm.

Safeguarding: If you have any safeguarding concerns, please contact our Parish Safeguarding Officer, Meg Choules, 01482 868540 (ext 213) / safeguarding@beverleyminster.org.uk. You may also speak to a member of the clergy or contact the Diocesan Safeguarding Team directly, safeguarding@yorkdiocese.org.uk.
